This invention appears to define over the closest available prior art Terada JP 2000-271150 and Koizumi JP 2002-1022252, in that neither of the two references (either alone, or in combination) discloses, nor fairly suggests the claimed cut-out section, in combination with the other claimed features, as is required by the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
